Old Colony Takes First Place

WINS CRAFT AWARD

The Offset Printing Department of Old Colony Regional Vocational Technical High School won first place in a competition of the Providence Club of Printing House Craftsmen.

Old Colony competed in the Junior Craftsmen's Division with eleven other vocational schools in southeastern Massachusetts and Rhode Island.

The annual awards presentations were made at the Embassy Room at Johnson & Wales Inn, Seekonk on April 22nd.

The first place winning entry was the Old Colony's School Brochure. The brochure consists of a folder with two pockets. A Cougar, which is the school mascot, is printed on the cover in four-color process, and is framed with a gold border. Inside the brochure are two pockets. The left pocket contains an Offering Booklet and an Application Form. The booklet explains the Admissions Plan; Grading Procedures; Federal Guidelines; Academic Studies; etc.

The right hand pocket contains a set of pages which review the shop offerings in

complete detail. Each shop has a page insert and each page contains a complete description of that particular course offering. In addition, the page explains the desirable qualifications for the trade and suggests possible career opportunities that exist. Each page also contains a photo of that particular shop, which gives the new student an overview of the shop itself.

The winning entry was judged on quality, originality and degree of difficulty.

Steven W. Urbanek, printing instructor at Old Colony, accepted the plaque on behalf of the school. Doug Edwards, a Mattapoisett resident and a student in the printing department, received a plaque as the outstanding student. Doug was one of the students who was instrumental in producing the first place winning entry. Old Colony represents the towns of Acushnet, Carver, Mattapoisett, and Rochester.

Selectmen's Meeting

APRIL 29, 1986 - by VIRGINIA ARRAL

ALL SOFTSHELL CLAMMING CLOSED FOR THE SUMMER

At the recommendation of Shellfish Constable Brian Nunes, Selectmen last Tuesday announced the Town will be closed to all softshell clamming from May 18 to September 14, to insure the clams will reproduce.

In his report, Nunes said that 239 bushels of oysters have been moved from Eel Pond to Pine Island Pond by starting out at the mouth of the channel. "There were places where the oysters were one foot deep. There are an incredible amount of oysters in there," Nunes said. He extended a great deal of thanks to all the help he received from deputies and from some volunteers, as well as those who donated equipment to the town at no cost, during the oyster relay.

The constable noted the DEQE is still do-

FOR MOTHER'S DAY

- Make a commitment: Work fitness into your life. It may be hard at first, but all you need do is give yourself two to three months to get back in shape.
- Select aerobic activities: Choose one you enjoy and makes your body use large amounts of oxygen for 20 continuous minutes. Walking, running, biking, swimming, all fit the bill.
- Check with your doctor: If inactive for any length of time, you don't want to do too much too soon.
- Select the proper equipment: It makes getting fit more fun and safe.
- Establish a training program: Use common sense guidelines, like those outlined in the free "Irish Spring Into Shape" Guide. Just send a self-addressed stamped envelope to P.O. Box 20722, Columbus Circle Station, NY, NY 10023.

ing some testing in the Mattapoisett River. With the 24 water samples taken on April 24th, everything in town is exceptionally clean, except the river. "We are still getting pollution from somewhere we have not pinpointed in the river," Nunes said.

He did add that there is no water coming from the pipe that was draining into the river; the pipe has been cemented over.

On another matter, Nunes informed Selectmen the town can be put on a list for state confiscated boats that have been taken in drug investigations or illegal shellfish harvesting free to the towns. Nunes said the town could possibly be in line for a 24 foot quahog skiff for propagation work. The board agreed to have Nunes place the town on the list and see what happens to become available.

In other business, Selectmen:

MET WITH Tony Pelson, who spoke as a representative of the Mattapoisett Congregational Church, to discuss the continuing problem of the need for parking space around the church, especially on Sundays.

Pelson mentioned specifically the street parking on the north side of Church Street between Barstow and Mechanic Streets (directly in front of the church).

Pelson feels that section could be protected for Sunday mornings for at least three hours. He mentioned that some junk cars are parked there for days at a time without being moved. Selectmen said if vehicles have the proper stickers they are entitled to park there day or night. To post signs

that would exclude non-church members from using that side of the street on Sundays would infringe on the rights of residents who live along the street, Selectmen said; and there is an apartment house across the street which makes for a need for more parking space, it was noted.

Selectmen didn't feel the three hours would answer the problem but that there could be certain time limits, such as 8 a.m. to 3 p.m. suggested for Sundays. The board felt the church could seek the cooperation first from the immediate neighbors and to notify the police department to keep an eye on the parking of improper vehicles for long stretches at a time.

RECEIVED A LETTER from Mary Cosgrove, secretary of the Antassawamock Club, Inc. The private area is seeking permission to install two speed bumps not exceeding four inches in height immediately inside the gates. The letter noted the speed bumps will be marked and in no way restrict emergency vehicles such as fire, police, ambulance or snow plows. The objective of the Antassawamock Club membership for the speed bumps is to reduce vehicle speed and thus the risk of injury to the children in the area.

The letter stated the roads are private

to be used by property owners and their guests, and not public ways. David Cameron, as chairman of the Road Committee, has been directed to have this work done, subject to the approval of the Selectmen.

The request will be tabled until checks have been made with the Fire and Police Departments; the Board of Health for trash collection access and the Highway Surveyor Manuel R. Nunes for any snow removal concerns.

RECEIVED NOTICE from Western Employers Insurance who carries the town's Workmen's Compensation Insurance that it will not renew the town's coverage for next year. The contract runs out on July 1, 1986.

Although the town has not received an official notification as to the exact reason why the coverage was not renewed, the Board is of the opinion it is because the town, more specifically the local school department, has had quite a few accidents this past year and has made a lot of claims.

The Selectmen agreed to go out to bid for a new contract. Selectman James F. Huntoon asked Executive Secretary Carol Adams to prepare a report on the type of accidents and where the accidents have been happening.

The zoning apparently never changed to limited industrial as it is to the south of Industrial Drive. Since this land abuts only the Industrial Park and the highway, it would seem logical that it should have been included in the industrial zoning.

WAS INFORMED by Building Inspector David Crook that Mr. and Mrs. Antone Souza of 135 Alden Road, Fairhaven have been notified to remedy the existing problem on their property on Acushnet Road. They had promised the inspector the property would be cleaned up when good weather arrived, and he ordered them to do the necessary work to secure the structures that are open to the weather and appear to be unstable.

NAMED Selectmen Chairman John DeCosta as its representative to the Plymouth County Advisory Board, with Selectman Frank Suzan as alternate.

Rochester Seniors

MAY MEETING SCHEDULED

The Rochester Senior Citizens Club will hold its regular monthly meeting on Tuesday, May 13th, at the Rochester Woman's Club. The month of May being Senior month, the club commemorates this occasion by presenting May-Baskets to Rochester Seniors who are ill, in nursing homes, or are shut-ins.

A volunteer committee consisting of Edith Lizotte, Louise Watling, Dorothy Alderson, Gladys Crocker, Dot Tuttle, Alice Hartley, Margaret Doane and Kay Settele have met several times at the home of Dot Alderson and have made the May-Baskets. The members of the club are asked to please bring on May 13th items with which to fill the beautiful baskets.

This year the annual picnic held in July will be at the Girl Scout Camp in Acushnet.

Pearl Carreau will have a meeting on May 6th, after the lunch at the vestry, to complete the plans for the Senior float for the Tri-Centennial parade.

The Happy Rollers Bowling Banquet will be held at Huckleberry's Chicken House on Wednesday, May 21st, at noon. Please call Evelyn Benner at 763-2855 for reservations.

After the meeting on May 13th, refreshments will be served, and cribbage or bingo will be played.

Reservations are being taken for the following trips:

May 19th - Christo's II, Brockton, dinner and show.

June 30th - Lunch at the Coonamesett Inn and show at Dunphey's, Hyannis.

will be disseminated throughout the country. Carla and Chapter 1 staff members Debbie Garnett, Jean DaSilva, and Shirley Haley have received congratulations from the Marion School Committee. The Committee commented on the enthusiasm of the staff and their exceptional commitment to the children of Sippican School.

In appreciation, the committee donated two books to the new Chapter 1 lending library. The books, Games for Reading and The Read-Aloud Handbook, are for the enjoyment of Chapter 1 parents as well as teachers.

The next Parent Advisory Council meeting is May 6th. Shirley Toomey from the State Chapter 1 office will speak on "Parents, Children & Stress". May 12-16 is Chapter 1 Visitation Week at Sippican School. Parents of Chapter 1 youngsters will soon be receiving invitations and information about spending time with them in the Chapter 1 room and staying for lunch.

What you and she have in common.

The Statue of Liberty's monumental form is taken from the likeness of the human body in posture and in bearing. Both are beautiful; both are subject to structural problems.

The lady of liberty has gone through her period of pain and is now being brought back to health with structural renovation. To support the effort, cooperating doctors of chiropractic throughout the U.S. are contributing funds through the American Chiropractic Association.

Just as the Statue of Liberty fell into disrepair, so health can deteriorate if you do not follow a preventive maintenance program.

Please, for the sake of your health, stop in our clinic for periodic examinations.

be answered this Friday and Saturday nights, when "The BIG Audition" opens at the ORR Junior High.

"The BIG Audition" is a variety show which is threaded through with a slight plot to keep it all held together. Among the musical numbers offered are Cole Porter's "Another Op'nin', Another Show", Irving Berlin's "Sisters" from the film "White Christmas", "Rejoice" from "The Wiz" and many others.

Singing and dancing their way across the boards are 14 seventh and eighth graders who have put in long hours to make the show a big success. Several members of the faculty are also lending their talents to the production.

Be sure to arrive in plenty of time for the 7:30 curtain. Tickets are $3. for the general public and $2. for students and senior citizens, when purchased in advance. At the door, prices rise to $3.50 and $2.50.

HAPPY MAY DAY!!!

Members of Brownie Troop 158 with the help of Kris Brammer and Lynne Chase made May Day gifts for the 42 residents of the Mattapoisett Nursing Home. For months each girl collected Campbell Soup cans which they later decorated with construction paper in bright spring colors. They then planted individual Johnny Jump-Ups in each of the containers. This small token of spring brought many warm smiles to those who received them. Brownie members include Kate Aleardi, Megan

Operation Clean Sweep '86

As a part of our public education program to inform citizens of safe and proper disposal methods for hazardous products, we had a table in the lobby of Old Rochester Regional High School during town meeting May 5th and we hope you picked up an "Operation Clean Sweep '86" brochure.

If you did not contribute to our goal of $1,762.27 at that time you may do so by sending a check made payable to Treasurer, Mattapoisett Household Hazardous Waste Disposal Committee and mail in care of the Board of Health, Town Hall, Mattapoisett, MA. 02739.

"Mudgie" Tavares Honored

BY STATE ATHLETIC DIRECTORS

At the annual State Athletic Directors' Convention, Maurice "Mudgie" Tavares received the State Service Award given to an individual who has contributed much to high school athletes and programs.

JOAO RODRIGUES AND MAURICE "MUDGIE" TAVARES

As most of us are aware, Mudgie is always there for the kids in our community. His giving of himself as a person and as someone who is willing to work for kids is exemplary.

The award was presented to Mudgie at the annual banquet at Dunfey's in Hyannis. Members of the press, Larry Ames of the Globe, Channels 4, 5 and 7 covered the event, and

all the Athletic Directors from Massachusetts were present.

Mudgie's nomination for the award came about when Joao Rodrigues, ORR's Athletic Director, presented his name to the South Coast Conference Athletic Directors. They unanimously agreed on Mudgie. Mr. Rodrigues then requested that people from our community respond with letters of recommendation. Those letters came pouring in and were distributed to all the schools in the Mayflower League, Southeastern Mass. Conference and the Cape and Island League. They agreed with the SCC choice and Mudgie's name was then presented to the state.

Joao Rodrigues would like to publicly thank all those people who supported Mudgie's nomination by writing all those important letters.

As a community, we are most thankful for having someone as special as Mudgie, because

Where are the Marchers?

Editorial, DCJ

Except for the radiation drifting into the Scandinavian countries, the world would still be ignorant of the nuclear disaster in Chernobyl if the Communist leaders could have it their way. That is absolutely consistent with Communist ideology which is based on a lie and depends on the controlled lie to maintain its power. The "classless society" - each contributing according to ability and each receiving according to need - is the longest sustained lie in history but needs many machine guns, attack dogs and land mines to keep all of its happy citizens contained. In this no class society the grim leaders live like the Czars of the past and the people live a gray life ranging from privileged to slavery. The people of Kiev just down river from the disaster site were out dancing in the streets on May Day while radiation rained down upon them from air and water. These happy people were celebrating the communist May Day presumably unaware that their revered leaders have

silent. The Russians shoot down a passenger plane off Japan. Where are the marchers? The Russians slaughter Afghanistan. Where are the marchers? The Russians operate unsafe, unshielded nuclear facilities. Where are the marchers? The Russians let the radiation rain down upon their own people who are completely shielded from the facts. Where are the marchers?

Yet, these same people who march at the rattle of a placard in the United States would have us conclude an agreement with the Soviets on almost any subject in complete disregard of the fact that the Communist system has a consistent, unblemished record of lying, cheating and betrayal. The rest of us may feel compassion for the people of Kiev, Russia and Poland and Scandinavia who are daily receiving the radiation from the atmosphere but not the Russian leadership who maintains that the problem is most minor. Certainly, not the marchers in this country and Europe who see no evil.

If there is any lesson to be learned from this history, it is that the United States remain strong. The leadership of a Communist people is not like us. They are not motivated by a human morality. It is about as safe to conclude an agreement with them as it is to live in Chernobyl or Kiev.

OLD ROCHESTER HIGH SCHOOL MATH TEAM HONORED FOR OUTSTANDING PERFORMANCE

Old Rochester High School's mathematics team has been recognized by Raytheon Company for the team's outstanding performance in math-related competitions this year.

At an awards luncheon held in Andover, Old Rochester's six member team was honored for its third place finish in the state mathematics tournament as well as top placement in league competition held earlier in the year.

The Old Rochester team along with 15 other top high school math teams were recognized as a part of Massachusetts Mathematics Day, which honored the state's top mathematics teams and individuals. The day's activities, hosted by Raytheon, included an awards luncheon, a tour of Raytheon's Microelectronics Center, and a special address by Dr. Edwin Kessler, director of the National Severe Storm Center in Norman, Oklahoma.

In his remarks, Dr. Kessler praised the

group, saying that each student "has the potential to make a difference in the advancement of science and high technology in the next decade".

Dwayne Cameron, Old Rochester's math team advisor, said that "being recognized in this way is a real tribute to the students who devote hours of their free time after school, on weekends, and during vacations to make the Math League a success. It is truly a team effort and a nice way to finish the state competition."

Mr. Cameron said that the team will next compete in the New England Invitational Tournament to be held in mid-May at Canton High School. More than 50 schools will compete in this tournament.

Team members from Old Rochester Regional High School include: Brian Reid, David Tremblay, Erik Morris, Julie Holden, Becky Crook, and Vicki Hiller.

Math League competitions began in the state nearly 30 years ago when a small group of North Shore schools decided that inter-school competitions would provide an added dimension to a student's math education. Today, more than 3,000 students from 175 schools in the state participate in math league competitions each year.

Raytheon Company is the corporate sponsor of Mathematics League in the Commonwealth.

WINS SCC FR.-SOPH. INVITATIONAL CHAMPIONSHIP

On Saturday, the ORR Freshmen - Sophomore Girls attended the SCC Track Meet along with hundreds of other competitors. At the completion of the competition, ORR had won the Championship, and had set 5 meet records, and brought home 30 awards.

The following ladies took first place honors in their events and set meet records: Priscilla Clark won the Shot Put, set the record in that event, and placed 4th in the 220. Tricia Bradley won the Javelin with a superb throw of 106'4", which was also a record. April Bradshaw's record setting jump in the Triple Jump was 33' 5½". April went on to place 2nd in the 220 and anchored the Mile Relay team.

One young lady set 2 meet records and 2 first places. Margaret Flynn won the 100 in 12.2 and jumped 15'7 3/4" in the Long Jump. Unquestionably, she was the standout

One of the most exciting races of the day took place between ORR's Stacia Burke and a girl from Seekonk. They were neck and neck throughout the 880 (½ Mile) until the finish line. Stacia was second but ran a tremendous time of 2:37. Her Freshman counterpart Dini Hall also ran a great 880, ran a 2:48, and was 5th.

The Mile Relay Team of Kerrin Rocha, Karen Mendes, Stacia Burke and April Bradshaw were 3rd. The 4 x 110 Relay Team won by 25 yards, but passed out of their zone and were disqualified.

Congratulations to the ORR Champions.

Joao Rodrigues is the Athletic Director, Head Winter Track Coach, and Head Girls Track Coach in the Spring. Mr. Rodrigues is also a member of the State Sports Medical Board which sponsored the program. The program was a direct initiative of Mr. Rodrigues' and was attended by Coaches, Trainers, Athletic Directors, and Nurses from all over the state.

Some of the highlights from the conference were the importance of weight training to all sports, its ability to prevent injuries, and the better performance of the athlete at all ages due to weight training.

The relationship between weight training and the rehabilitation of athletes after injuries was also explained and diagrammed. One important element after an injury is to rehabilitate the athlete and not let the injury lay just dormant. This can be achieved between the Doctor, Trainer, and Coaches.

The long term affects of steroid use were illustrated and proven to be very harmful to the athlete using them.

Track Award Winners

At the recent South Coast Conference Freshmen-Sophomore Invitational Track Meet held at Case High School, the following ORR Track athletes won special awards.

efficient job.

The beach position is definitely a one man/woman job with absolute consideration and evaluation of everyone in the water including the very young to the very old. May I suggest that the position of beach supervisor be offered to one person whose eyes and mind will be on the water and the raft at all times, much as Mr. Boucher did all the years he worked for us.

It was very consoling to know we had such a responsible and efficient person watching out for our children. I do not believe we can be too careful where our children are concerned. I would like to see this service continued so that Mattapoisett may remain special.

Better Breathing Workshop

WORKSHOP PLANNED FOR ADULTS
WITH CHRONIC LUNG DISEASES

A Better Breathing Workshop for adults in the Greater New Bedford area who experience breathing problems from a chronic respiratory disease is planned to begin Thursday, May 15th, from 1:30 to 3:00 p.m. at Melville Towers, Dining Room (North Door Entrance) in downtown New Bedford. The sessions will be held once weekly on six consecutive Thursdays ending June 19th.

The educational presentations will help patients with emphysema, chronic bronchitis, and asthma learn how to cope with the symptoms of chronic obstructive pulmonary disease.

Local health professionals will be the main speakers. Each session will include an important questions-answers segment.

The workshop is being co-sponsored by the residents of Melville Towers and the American Lung Association of Southeastern Massachusetts (ALA-SEM). For further information please call the Lung Association at 947-7204.

Hobart College, Geneva, New York, is currently finishing his junior year in an off-campus program called "The Shape of Two Cities", sponsored by Columbia University. Thirty students drawn from campuses across the country who are majors in Architectural or Urban Studies spent the Fall term at the Columbia University campus and studied the City of New York. During the Spring term, the group traveled to Europe and studied the City of Paris, France. Both the architecture and the environmental aspects of these two world cities form the core of their program.

During the Spring break, Alan, an avid sailor, spent a week with six of his classmates sailing to the ports of Monte Carlo, Cannes, St. Tropez, Nice, and Monaco. The second week he toured the counties of Ireland. He returns home at the end of May.

Alan is a member of the Class of 1983 at Old Rochester Regional High School.

Age Change for Cub Scouts

A new and dramatic step to serve boys in all school grades will be taken by the Boy Scouts of America starting in the Spring of 1986. Membership requirements for Tiger Cubs and Cub Scouts will be primarily based on grade in school, rather than age, and the program will be expanded to include first grade boys. A boy is considered to be in a grade on the day that he completes the previous grade. The new requirements are: Tiger Cubs, graduates of kindergarten or age 7, and Cub Scouts, graduates of first grade or age 8. In the past Cub Scouts had to be graduates of the second grade.

The phasing in of the new membership requirements will allow boys enrolled in the current plan, as well as their classmates who join later, to progress through Tiger Cubs and Cup Scouting without having to "skip" a rank. Boy Scout requirements remain the same at 10½ and graduated the fifth grade of age 11.

As a result of this program expansion, the Boy Scouts of America will serve boys of all school grades (except kindergarten) with a program of character development, citizenship training, and personal fitness. In addition, the peer group will remain intact, by school grade, with all boys able to move from one area of Scouting to the next as a group.

Ashumet Holly Reservation

SPRING PLANT SALE AND OPEN HOUSE

It's finally Spring -- time for the Annual Spring Open House and Plant Sale at Massachusetts Audubon Society's Ashumet Holly Reservation in East Falmouth. The Open House will take place on Saturday, May 10th, from 10 a.m. to 3 p.m. (Rain date is May 17th.) Admission is free.

Activities will include a lecture and demonstration by Connie Sutherland on Growing Herbs at 10 a.m. The Annual Open House is a good day for a spring walk and a good time to buy a gift for Mother's Day in the Herbary Gift Shop. Annuals, herbs and hollies will be for sale as well as perennials, geraniums and fuschias. Hand-made wooden planters, decorated straw hats, herbal wreaths and many unusual gift items will be available.

The Annual Spring Open House and Plant Sale is sponsored by the Friends at Ashumet and all the proceeds will be used to help maintain the sanctuary. Ashumet, whose holly collection is open year-round for self-guided walks, is located off Route 151 and Currier

Review:Famous People Players

by DAVID B. BOYCE

When The Famous People Players say they are "a little like magic", they make a masterful understatement. The sheer genius of their visual imagination transports any viewer to the realm of an awed child. Even though the mind might figure how they create their effects, the eye refuses to believe anything but what it sees and that is pure magic.

Employing black-light, life-sized puppets, painted with fluorescent paint, and performers clad entirely in black, The Famous People Players presented a program in two performances at the Zeiterion on April 26th. Based on musical numbers both contemporary and standard, the many segments move quickly to delight the eye and ear.

"Celebrity" puppets included Liberace, Elvis, Liza, Kenny Rogers, Superman, Michael Jackson, Cyndi Lauper and Barbra Streisand. Other vignettes depict "The Aquarium", an amalgam of music from the James Bond films, a delightful staging of "The Sorcerer's Apprentice" from the Disney film "Fantasia", a medley of Broadway musical characters and the especially ingenious, "A Take-Off on a Take-Off".

This piece is accompanied by the David Rose theme, "The Stripper". The figure on stage is clothed in a black body suit, so all that is seen is a curly wig, legs

green-stockinged to mid-thigh, a diaphanous pink skirt and an equally sheer blouse. Because the human body is never seen, but implied, the removal of the clothing becomes increasingly amusing, as the more that is removed, the less the body is defined. At the end, all that remains is the wig. Once doffed, only inky blackness is seen. The piece is a wonderfully inciteful statement about titillation and the perception of the erotic. This is perhaps the most profoundly effective of any segment in the program, the others being more patently entertaining.

The Famous People Players, a Canadian-based troupe begun in 1974, is unique. Founder Diane Lynn Dupuy has toured the group internationally, to great acclaim. They plan a Broadway run in the coming season, which should bring them the national recogniation they richly deserve.

The majority of these performers are developmentally handicapped. Their work is very special, whether that fact is known or not. Their performance stays in the mind, reminding you to giggle at life. They stretch the concept of puppetry in ways that redefine that entertainment.

Its purpose is to promote for the benefit of Mattapoisett residents the preservation of open land and the natural resources therein; to help educate the public about the wise use of natural resources; to work with other organizations having similar purposes.

ARE LAND TRUSTS A NEW CONCEPT? Land trusts have existed in America for many years on national, state and local levels but in the past decade their popularity has greatly increased. Many Massachusetts towns, including Dartmouth and Westport, have established successful trusts. Land trusts operate in the best New England tradition of do-it-yourself private enterprise and initiative.

HOW CAN THE TRUST HELP LAND OWNERS? Land owners who love and care about their land and have a sense of stewardship about its future may consider the Trust as a vehicle for land preservation. Property owners who give land or grant conservation easements on their land to the Trust are the beneficiaries of reductions in their real estate and income taxes.

HOW CAN THE TRUST HELP THE TOWN? The needs of an expanding community for open space must be anticipated in advance of possible runaway growth. Experience has shown that land set aside as permanent open

space has a restraining influence on future tax rates. New homes which replace open land tend to increase tax rates by demanding more in Town services than they pay in taxes. The Mattapoisett of the future can retain its present rewarding atmosphere if protection of natural values is coordinated with planned Town expansion.

THE LAND TRUST'S ACTION PLAN FOR 1986:

The pressures of rapid development continue to affect Mattapoisett and threaten our wildlife, natural resources, and natural beauty. The Trust's goal for 1986 is to help reduce the impact of development, and we have three action plans to fit this theme:

1) Acquire and preserve open land for the enjoyment of the people of Mattapoisett and for the protection of our natural resources.

2) Help to maintain the character and charm of Mattapoisett.

3) Educate everyone on the value and urgency of conservation and the dangers inherent in rapid, uncontrolled development.

These goals are the theme for the Land Trust's annual meeting, and the public is invited to attend this meeting at the Congregational Church in Mattapoisett on Thursday, May 15th, at 7:30 p.m. Our guest speaker will be Dr. Alan Hankin, Director

Gateway Players

"THE INNOCENTS" -FINAL WEEK

The suspense thriller, THE INNOCENTS, based on Henry James' The Turn of the Screw, has been filling the Gateway Playhouse mini-theatre after excellent reviews from the press. The play stars Susan Shaw, Joyce Wirth, Aimee Witkowitz, Jimmy Johnson and Paul Gibbs. Director is George W. Hayden. A few seats remain for the final performances, May 9th and 10th, at 8 p.m. For reservations phone 295-6768.

VETERAN ACTOR LARRY BENNETT JOINS ALBEE'S "SEASCAPE"

A major cast change in Edward Albee's unique Pulitzer Prize winner SEASCAPE has Larry Bennett, three time A.R.T.A. (Academy of Regional Theater Awards) winner, stepping into a principal male role played on Broadway by Barry Nelson. Broadway actress Ann Kenny stars in the Deborah Kerr part of the wife Nancy, along with Raymond David Cardoza and Anna Andrade in sci-fiction roles. Seascape director George W. Hayden says Bennett's considerable experience with such roles in Of Mice and Men, Come Back, Little Sheba, Born Yesterday and One Flew Over the Cuckoo's Nest can only improve matters in this strangely interesting show. Performance dates are May 16, 17, 23, 24, 30, 21, June 6, 7 with an 8 p.m. curtain at the Gateway Playhouse, off Route 6, behind the Wareham Town Hall.

AUTHOR-ORNITHOLOGIST TO SPEAK

Nationally renowned author, naturalist, conservationist and ornithologist Erma Fisk of Orleans, Cape Cod, will speak at Southworth Library South Dartmouth on May 14th. Open to the public, the lecture will recount the adventurous author's most recent encounters with people, birds, animals and trying circumstances in an outback area of Belize, Central America (formerly British Honduras).

PARROTS' WOOD is the title of Mrs. Fisk's second book, of an autobiographical nature, concerning her involvement with remote places and wild birds. Her first, THE PEACOCKS OF BABOQUIVARI, detailed her long winter isolation - at age 72 - in a crude cabin in the mountains of Arizona. That sojourn was the topic of an enthusiastically received lecture here in 1984 when her presentation was sponsored, as is the May 14th appearance, by Friends of the Dartmouth Libraries and Paska-

The first annual American Heart Association "Open Heart Invitational" will be held at Plymouth Country Club on Thursday, May 15th, starting at 12 noon.

Entry is restricted to men and women who have had coronary by-pass operations and wish to celebrate their "second life" by making a contribution to the American Heart Association.

Anyone interested in participating please contact the American Heart Association at 584-0446 or write to Pat Rafferty, Chairman, at Plymouth Country Club, Plymouth, MA. 02360 for an application form.

Coming to Zeiterion:

ISLAND NIGHT II

The Zeiterion Theatre is pleased to announce that folksinger Tom Rush will head an exciting line-up of entertainment for this year's ISLAND NIGHT festivities. This second annual benefit for the Zeiterion, sponsored by Acushnet Saw Mills, sets sail for an evening of fun and adventure on Saturday, May 17th, at 8:00 p.m. Tickets are on sale now at $20.00 each and may be purchased by calling the theatre's box office at 994-2900.

Joining with Rush are special guests Buskin & Batteau, Patty Larkin and Bill Morrissey to help liven up the evening.

Rush has put together a program that brings together the legendary folk sounds of an earlier era with some of the bright young

performers and sounds of the accoustic music renaissance of the 80s. In the course of a 25 year professional career, Rush has made 15 record albums and entertained innumerable concert audiences. His Club 47 concerts at Boston's Symphony Hall, which began in 1981, have turned into traditional sell-outs.

Buskin & Batteau breathe new life into the genre of the folk-pop singer-songwriter. These versatile professional musicians have built a sophisticated cabaret act that is by turns acerbic, funny, and plaintive. The Boston Globe recently wrote about their act as being "A richly melodic, warm, witty, well placed show. Accoustic heaven."

Bill Morrissey is a New Englander whose well-knit songs center on the working class life of the northeast. Voted the most popular folk singer every year for three years in the Boston Globe readers' poll, Morrissey is known for his ability to alternate between touching songs of depth and humanity and some of the funniest stories you'll ever hear.

Patty Larkin, singer-songwriter now living on Cape Cod, fuses folk-pop and light jazz tunes into a pleasing personal style rich in humor and depth. She just released an album entitled "Step Into the Light". Like Morrissey, she was named most popular folk singer in the Boston Globe readers' poll.

tional cost of $7. is required for ferry. Registration is limited. Please call the Lloyd Center, 990-0505, for further information and registration.

The Lloyd Center offers bike and canoe excursions each month in conjunction with the Buzzards Bay Project managed jointly by the EPA and Massachusetts Office of Environmental Affairs. The purpose of this project is to enhance the knowledge of local and state agencies and citizens so they better understand the sources and effects of contaminants in the Bay and its watersheds.

Bike trips are scheduled for the second Saturday of each month, while canoe trips are scheduled for the fourth Saturday of each month. The trips focus on natural history and land use issues of this region. Upcoming trips include a canoe trip at Allen's Pond on Saturday, May 26th, and a bike trip exploring the Westport/Dartmouth area. For information on these or any other Lloyd Center programs please call the Center.

demonstrate and share their talents with Museum visitors. They will provide the polymer blanks and allow Museum visitors to try their hands at the art of scrimshaw using etching tools and black ink.

Gerry Dupont is prominent among talented artists who have raised scrimshaw, once the pastime of idle sailors, to a demanding fine art. He and his wife Patricia received their training as visual art students at Southeastern Massachusetts University. They have turned what was once a folk craft into a very exacting art. Mr. Dupont is the recipient of the Award for Excellence at a recent international art competition in Mystic, Connecticut. He will have examples of his work on display as he continues to demonstrate his skills.

Museum visitors will have the opportunity to work and use the artist's tools as they create their own design on the polymer blanks. Visitors are encouraged to bring an example of something they would like to draw. They will work along with the artists from the initial process to the finished product as they explore and try this art form. Adults and children alike will have the opportunity to try their hand at this ancient art form. Each will be able to take home their own work of art; their own scrimshaw piece.

The Children's Museum is located at 276 Gulf Road in South Dartmouth. Admission is

You're going to feel closer to home with an NBIS XPRESS24® CASHCARD

You're on a trip, and you suddenly discover you're out of cash. You have credit cards and a personal checkbook — but they're just not the same as pocket money. And a tiny knot forms in your stomach, making you wish you were closer to home.

If that's happened to you before, rest easy. It won't happen again — with an **NBIS X-Press 24 CASH CARD.**

The **NBIS X-Press 24 CASH CARD** gives you the security of knowing that cash is available whenever you need it. Part of the **CIRRUS®** network, the **NBIS X-Press 24 CASH CARD** can be used at more than 8,000 locations throughout North America — 24 hours a day, 7 days a week. And to make you even more secure, you'll get a convenient, toll-free number to find out the nearest "fast-cash" location.

And, it's easy to get. Call or stop in at any NBIS office today. We'll tell you how.

Whether you need cash in Concord, California, or Concord, Massachusetts, you'll get it with the **NBIS X-Press 24 CASH CARD.**
It does more than give you a sense of security. It makes you feel a little closer to home.

The Sperry TS-50.®

Practically speaking, it's the finest boat shoe ever built.

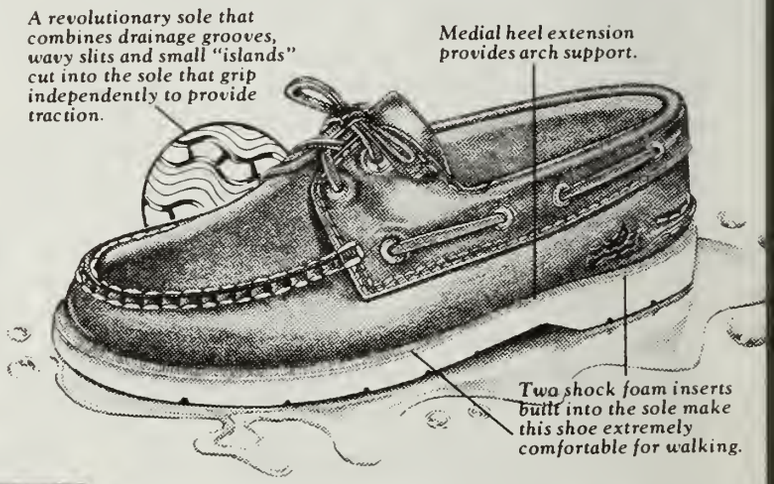
In the over 50 years that we've been making boat shoes, we've never stopped trying to make a better one.

The new TS-50. For comfort, for quality, for grip, it's the new mark of excellence in boat shoes.

MEN'S ONLY

SPERRY TOP-SIDER®

The company that put practicality in style.



A revolutionary sole that combines drainage grooves, wavy slits and small "islands" cut into the sole that grip independently to provide traction.
Medial heel extension provides arch support.
Two shock foam inserts built into the sole make this shoe extremely comfortable for walking.
